# FOREWORD

The aim of the 1957-'58 Grego Staff has been to present a record of progress and achievements of the past year and to portray the spirit of Fremont High School. With long hours of work and fun behind us we offer you a picture of student life here at our school.

With the hope that this annual will be a possession worth cherishing and with deep appreciation for the cooperation we have received, we present this volume, the 1957-'58 Grego.
